## *BOARD OF DIRECTORS NEWS LETTER*

December

Hi Yarmouth Ice Club Members

The Holiday on Ice Christmas Exhibition was a great success. Thanks to all the children who skated their very best, and to the parents who help make it possible. A special thanks to Donna Wunder, Joan Bunnell and Chris Geary for organizing the first of hopefully many similar events. The beautiful decorations made the Rink look fabulous and the Duxbury High School Brass Ensemble added the perfect touch to this elegant holiday affair. We got tons of positive comments from the audience and I understand we got great press coverage from the local newspapers.

This past year has been a challenging journey. The Board was busy with the move of Cranberry Open back to the Cape. As a result we seemed to lose contact with the Bog, which is our home rink. Since September we have tried to make an effort to reconnect with the membership and improve relations with the management of the Bog. A big thanks goes to the Board members who have been covering Saturday skating time which has helped develop a closer bond between the Rink, LTS skaters and the Club.

We have some exciting ideas for next year, including having a big skating show in the spring. We are also working to establish some consistent year round ice time. There will be more to come on this in the near future.

To our out of town members, we would like to have a weekend exchange. You come and stay with us, and we come visit you in CT. If any of you are interested in helping plan this event please contact me so we can start the planning process.

Due to the Exhibition and the holidays, the Board will not meet in December. Our next Board meeting will be Jan.9, 2010, at 10:30 AM at the Bog. I hope everyone will try to join us, give your suggestions, and learn of our plans for the New Year.

I hope you all have a happy and health holiday season and be sure to keep smiling and skating.
