

YARMOUTH ICE CLUB

SKATERS FUND SCHOLARSHIP/GRANT APPLICATION

The Yarmouth Ice Club Skaters Fund was established in 2005 when Phoebe Weston, a Yarmouth Ice Club founding member suddenly passed away. The mother of a Wendy Weston Enzmann, an eleven time national and international competitor in singles, pairs and synchro, Phoebe understood the enormous cost a family had to provide for their skater to reach their highest potential. Phoebe's always hoped the Yarmouth Ice Club would be able to set aside monies to assist our members who might need financial help to reach their goals in skating.

Upon her passing the Weston family established the Yarmouth Ice Club Skaters Fund and accepted donations and fund raising events to help replenish the fund and keep Phoebe's wishes alive.

Skaters from the Club can apply for scholarships, or grants to help offset the rising cost of their lessons, team participation, membership, or ice costs. Also our teams can apply for funding some of the extra costs incurred during the competitive season.

To apply, one must fill out the attached application and submit it to Carolyn Pierce ccpiercesk8@comcast.net for consideration.

If application is approved, checks will be issued to the requested discipline

Name _____

Address _____

Home Phone _____ Cell Phone _____
